

THE DANCING EASTER EGG

Cut out and trace the foot template onto two colorful Post-it notes so that the straight edge lines up with the sticky edge of the Post-it. Then cut out the feet and set them aside. Color in the egg and glue it onto a piece of lightweight cardboard. Carefully cut it out. Insert your first and second fingers through the holes to be the egg's legs. Press the tips of your fingers onto the sticky part of the Post-it feet. Now make your egg dance!
