

LOVIN' HEART

Color in the heart, arrow point, and tail, then cut out all template pieces. Fold the heart in half, colored sides facing. Then fold back the top and bottom of the heart along the lip lines. Tape the finger strap to the back of the heart, on top of the mouth. Cut the straw into quarters and tape one piece to the arrow point and one to the tail. Then line up and tape the straws at an angle to the back of the heart.
